

**Athletics Complex, Phase I****Summary:**

This project includes the construction of a soccer field and track stadium plus the utilities, road, and parking infrastructure needed for Phase I of the planned Athletics Complex. Later phases of the Athletics Complex development will add intercollegiate facilities such as baseball and softball fields, tennis courts, multipurpose practice fields, stadium structure, a two-lane road extending from Hausman road to the edge of the creek bed running through the center of Main Campus, a 500-space surface parking lot, electric power service to the road and parking area, and city utility connections. A multipurpose team and administration building is also planned for the site in a future phase.

**Location:**

Adjacent to the UTSA Main Campus at the Park West property, located near Loop 1604 and Hausman Road.

**Size of Project:**

N/A

**Notice to Proceed:**

September 21, 2011 (estimated)

**Final Completion:**

March 23, 2013 (estimated)

**Total Project Cost:**

\$22,050,000

**Cost/SF:**

N/A
